

## **Timely Warning Policy**

In the event that a situation arises, either on or off campus, that, in the judgment of the President or one of the Vice Presidents, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. This warning will be issued through Schoology, students email and Schoology App for their phones.

Depending on the particular circumstances of the crime, the President or Vice Presidents may post a “timely warning” in the residence halls only.

Campus wide warnings will be issued through Schoology and the college e-mail system to students, faculty and staff.

Anyone with information they believe would result in the issuing of a “timely warning” should report the circumstances to the President in Perrier Hall, Executive Vice President in the Allison Mansion, Vice President of Administrative Services in Perrier Hall or any Department Director.
