Dear Parents, Guardians, and Loved Ones,

We are very excited that your child will live on campus starting this September. There is nothing more exhilarating--and frightening--than leaving Mom and Dad's house to live away for the very first time. It can be equally nerve-wracking for you, the parents, to ensure that your child has everything they need, such as clothing, toiletries, entertainment, safety and security, and, of course, food.

Walnut Hill College is committed to ensuring that each and every one of our Residential Learning students has the resources necessary to be successful in all aspects of education and life. With this in mind, **the College is proud to offer a variety of meal options for students residing in our residence halls.** First-year freshmen residing in "underclassman housing" are required to participate in one of the plans outlined in the following pages.

Please read each option carefully, review them with your child, and complete the attached form. **Send the form back in the enclosed envelope to our Residential Learning Department at:**

Attn: Residential Learning  
4207 Walnut Street  
Philadelphia, PA 19104

If you have any questions or want to discuss the meal plan options with one of our representatives, please feel free to call us at 267.295.2311 or email us at [info@walnuthillcollege.edu](mailto:info@walnuthillcollege.edu).
