

Residential Learning Tips

Greetings!

We look forward to seeing you on campus soon. Dorm move-in day often conjures up thoughts of heavy lifting, grunting, and a long, hot day filled with confusion. However, at Walnut Hill College, our *“Welcome Home”* dorm move-in is completely different. You will enjoy a continental breakfast, an international lunch, briefings for students and parents, and assistance from over 100 staff members and current students. At WHC, we're all about hospitality.

I, along with my colleagues in *Residential Learning* and *Campus Security*, will be here to answer all of your questions, make you feel comfortable, and welcome you to our community.

In the coming days, I will be sending you these *Residential Learning Tips*. They are full of practical ideas and experiences that will certainly help you feel great and call WHC your home away from home.
