

Residential Learning Tips

Add these phone numbers and email addresses to your cell phone!

*We are Here
to Help You!*

Our two *Residential Learning Coordinators*, Mr. Carter and Mr. Floyd are your “go to” contacts for any and all questions related to dorm life.

But, you may also have a few questions for the caring and expert staff members on campus, who are eager to assist.

Our team is here to help ...

Question about anything in the dorms? Our Residential Learning Coordinators will give you all of the answers!

Need something in your dorm room repaired? Our fantastic facilities team is on the job!

Need some help with study skills, your class schedule, or anything academic? We have two caring *Student Success Coordinators* ready to help you be twice as smart!

Have a question about Student Life and Learning points? Our *Student Life* team will get right to the point!

Have a question about your tuition or your Walnut Hill Card on-campus debit account? You can count on our *Business Office* to assist you!

Confused about financial aid forms and formalities? Our *Financial Aid* team will come to your aid!

Looking for a part-time job or some coaching on your resume? Our *Career Success Coordinator* is here for you full time!

Looking for library assistance? Our librarian is an open book!

We do prefer emails, since we can forward your notes to the appropriate departments that will help you. Also, we can receive emails 24/7. It's an effective communication tool.

Soon, you will meet everyone at the College and quickly learn that we are friendly, accessible, and love talking to our students. You will be gathering names, email addresses, and contact information for just about everyone on our team. Add all of these contacts to your cell phone.

Hey, even the President of WHC likes to hear from students! You can contact *President L* at president@walnuthillcollege.edu. Note: His last name is *Liberatoscioli*. That's right, 14 letters! Therefore, he decided to make it easier on you and use "president" instead of his last name in his email address. Years ago, students who couldn't pronounce his last name (Who can?!) decided to call him *President L* or *Mr. L*, and it's now a College tradition! His office is located on the first floor of Perrier Hall. Schedule a visit. He always has candy and a few good stories.

Add these names, office phone numbers, and email addresses to your cell phone right away!

Note: Staff email addresses are typically the initial of their first name, then their last name, followed by "walnuthillcollege.edu". Student email addresses include "mail". If you wish to email a staff member, simply use "walnuthillcollege.edu" and leave off the "mail" prefix.
