

Residential Learning Tips

Student Activities at Walnut Hill College Get active! This campus is alive!

Wait until you see our student activities opportunities. ***This campus is alive!*** Each week, there are more than 15 activities for you to participate in. There are over 30 student organizations.

Each day, we feature the “*Student Success Hour*” from 11:00 am to noon. There are no classes scheduled during this hour. It’s the perfect time to enjoy lunch, meet with our *Student Success Coordinators*, and enjoy student activities. The best part ... nearly all activities are FREE!

You will also be able to participate in field trips to NYC, Washington DC, Lancaster County, and much more. And how about a Spring Break trip to Disney World? Start saving now!

Our *Student Life and Learning Program* requires you to earn 5 points each 10-week term. In essence, for each activity you participate in, you will earn a point. Community service events earn you 2 to 3 points. Longer activities, such as a day-long field experience will earn you 3 points. Earning 5 points every 10 weeks is easy. Many students earn 10, 15, or more points.

The next few months are jam packed. Even Labor Day weekend is filled with movies, a comfort food dinner, campfires, a Delaware River trip, stromboli, a BBQ, ice cream sundaes, and much more.

Commit to staying on campus for the first three weeks. Statistics prove that those who stay on campus stay focused and succeed. Your family and high school friends will always be there for you. Take this time to invest in this exciting new phase of your life.

Here is just a quick sampling of what is planned for the coming weeks. This is a list of activities sponsored by the *Office of Student Life*. Once all of the student clubs and organizations post their activities for the academic year, you will see this list grow!
